DIAMOND SPONSOR

Arms Wide Open Childhood Cancer Foundation is committed to funding pediatric cancer research, supporting families who are suffering hardship due to their child's cancer diagnosis both financially and emotionally, educating the general public, raising awareness globally and uniting the childhood cancer community.

Moreover, Arms Wide Open is helping transform the childhood cancer landscape through their many initiatives, such as their Emmy-Award winning documentaries and awareness campaign, The Truth 365, which gives all children with cancer a voice, and by hosting, CureFest, an annual event in Washington, DC, that brings foundations and advocates together to speak as one voice on behalf of all children fighting cancer.

HELPING HANDS

PLATINUM SPONSOR

Rally Foundation for Childhood Cancer Research, a 501(c)(3) nonprofit, empowers volunteers across the country to raise awareness and funds for childhood cancer research to find better treatments with fewer long-term side effects and, ultimately, cures.

We are philanthropic seed investors in the next great discovery and utilize a dual peer review process that supports research at all stages, from the initial idea to clinical trials. With the highest ratings from charity watchdogs, you know you are donating to a nonprofit children's cancer organization for better childhood cancer treatments.

WE BELIEVE IN THE POWERS OF CREATIVITY, FRIENDSHIP, AND LAUGHTER AS TOOLS FOR HEALING.

A Moment of Magic is a national 501 (c)(3) non-profit organization with a mission to improve the quality of life of vulnerable and underserved children and inspire them to be brave, strong, fearless through fun and engaging social wellness activities.

We have over 30 chapters nationwide partnering with more than 350 hospitals and nonprofit organizations. We provide all of our services completely free of charge to families in need.

Since 2014, we have provided moments of hope and joy to more than 125,000 children across all 50 states.

When faced with a serious health condition, children require excellent medical care to help heal their bodies – but they also need to support and experiences that safeguard their minds and hearts. By providing programs that encourage self-expression and community, we are able to help lift the psychological burden many medically underserved children and families experience.
